7 The Nanjangud temple has a large over-draft and this has come to notice in connection with an enquiry about installing electric lights in it. Perhaps, there are other institutions having debit balances which mean unauthorised borrowing from Government free of interest. This tendency to overdraw should be effectively stopped. Please note if there are any standing orders to prevent overdrafts and if there is any procedure prescribed for promptly noticing such cases when they occur and for taking necessary action.

The figures relating to Muzrai Funds are being verified monthly and annually. The Muzrai Commissioner sends to this office every month a statement showing by taluks the debits and credits of Major Institutions individually and all minor institutions in a lump. This is verified and returned noting differences, if any, for further verification by the Muzrai Commissioner. Similarly a statement showing opening balance, debits, credits and closing balance is received from the Muzrai Commissioner after the close of each year which is also verified and returned to him.

The balances of Muzrai institutions in the State, having been fixed in Government Order No.1475-6/Muz.271-25-2 dated 19th May 1926 there are practically no differences in the balances of these institutions. There was a small difference of Rs.29-4-6 in the receipts of the Nanjangud Temple for January 1929 and this has been since rectified. Regarding the debit balance in the Nanjangud Temple, reference is invited to Government Order No.580-2/Muz.84-28-3 dated 18th September 1928 directing that very early steps should be taken to wipe it off. In cases where the institutions concerned have invested balances against overdrafts in their treasury banking account, this office is authorised to sell the investments and make good the debit balances. In cases which have no invested balances.

Adverting to correspondence ending with the letter of Accountant General No. C.324/28-29 dated 7th June 1930 regarding adjustment of contingencies in respect of certain muzrai institutions in the Tangal Forest Districts, I have the honour to forward herewith copy of letter No. Dis.C.38-29 dated 10th July 1930 from the Deputy Commissioner, Kadur District in the matter of revision of scale of expenditure of Sri Sivaganga Mutt in the Kadur District as seen to be due to omission to contain items of allowances to it. The revision of scale of expenditure of this institution is under consideration.

I have to

Sir,

your most obedient servant,

Muzrai Commissioner.

Letter No.L.Dis.C.398-29 dated 10th May 1930 from the Deputy Commissioner Hassan District to the Muzrai Commissioner in Mysore.

Reference:- Your letter No.524/29-30 dated 13-9-29, re: suggesting ways and means to adjust the overdrawals in respect of certain Muzrai Institutions in this District.

With reference to the above, I have the honor to state as follows:-

1) Re: the adjusting the debit balance of Rs.1805-4-0 in favour of Sri Agastesvaraswami temple at Arkalgud, the Amildar reports that there was a debit balance of Rs.1444-6-7 in favour of this institution at the end of 1927-28 that according to the scale sanctioned in 1919 the income of this institution has been fixed at Rs.1100/- per year and the expenditure at Rs.816-8-0 a year leaving a balance

Cash grant	Rs.275-0-0
Income from lands	Rs.825-0-0

of Rs.283-8-0 but the income from lands has not been regularly realised that there is still an outstanding arrears of nearly Rs.2000/- due from the lease holders and that he has taken steps to collect all the arrears and would adjust the overdrawals by collecting all these -- arrears. He also reports that the temple lands have since been leased afresh for only Rs.587/- per annum viz., Rs.283/- less than the --- anticipated income from these lands and that he would submit revised scale of income and ~~xp~~ expenditure in consultation with the Dharmadarsis to suit the present income.

2. Re: adjusting the debit balance of Rs.546-1-2 in favour of Sri Subramanyaswami temple at Arkalgud, the Amildar reports in his No.H.C.38-29 dated 29-4-1930, that there is a debit balance of --- Rs.602-10-5 on 30-6-1929, in favour of this institution and the --- management of the temple rests with Sri Subramanyaswami Mutt and the Government grant of Rs.566-14-0 every year is being utilised as noted in the margin and during the Champasasti festival a santarpane is being held for two days every year which has to be met from the marginally noted -- items as per Government order No.369-70/Muz.28-22-15 dated 30-9-'25 ~~22-12-26~~, but this amount is not being realised every year as noted below and t is has resulted in overdrawals. The Amildar

Establishment charges	Rs.226- 8- 0
Nityakattle	Rs.143- 2- 0
Hechukattale	Rs.197- 4- 0
	Rs.566-14- 0

Interest on pronote	Rs. 122- 8- 0
Income from lands.	150- 0- 0
Contribution from Patels and Shanbhogues	100- 0- 0
Income from state Loan Bonds to the value of Rs.2300/-	143-12- 0
Income from chatram funds	36- 0- 0
Total.	Rs. 552- 4- 0

Amildar reports that the income now being realised for the santarpane is as noted in the margin and as this amount of Rs.393-7-0 would not suffice for holding the santarpane for 2 days he proposes that either the santarpane may be held for one day or a sum of Rs.300/- out of the amount now being realised towards the santarpane be made over to the Mutt authorities to hold the santarpane for 2 days if they are willing and the remaining amount adjusted every year towards the overdrawals. I am of opinion that this arrangement appears to be reasonable and may be sanctioned.

1. The contribution of Rs.100/- from Shanbhogues and Patels are not being received.
2. Only Rs.175/- out of Rs.2300/- have been invested in State Loan Bonds as Bonds were not available.

Interest on Promote	Rs.122- 0- 0
Income from lands	125- 0- 0
State Loan Bond interest	10- 7- 0
Fixed deposit interest on Rs.1300/-	65- 0- 0
Chatram funds	36- 0- 0
Interest on Savings Bank deposit of Rs.700/-	35- 0- 0
Total. Rs.	393- 7- 0

The Amildar also reports that a "Golaka" is being kept every year during the sasti festival in the temple and a sum of nearly Rs.200/- would be realised from this and the Mutt authorities are taking this amount and recommends that orders may kindly be passed to credit the same to Muzrai Funds to improve the finances of the institutions. I recommend that the Amildar's suggestion may kindly be approved.

He has this day been requested to report the result of action taken in the matter and a reply will be submitted for the information of the Government on receipt of his report.

As regards the Arkalgud Subrahmaneswaraswami the debit balance ~~is~~ has due to the fact that a sum of R. 550/- was being annually spent for Santarpane while the expenditure provided for this item is only R 375
